I. Introduction

The Missouri Housing Development Commission (“MHDC” or the “Commission”) is a governmental instrumentality of the state of Missouri and a body corporate and politic. The Commission’s authority is derived from Section 215.030 RSMo.

MHDC is the state Housing Finance Agency (HFA) for Missouri. HFAs are state-chartered authorities established to help meet the affordable housing needs of the residents of their states. Although they vary widely in characteristics such as their relationship to state government, most HFAs are independent entities that operate under the direction of a Board of directors appointed by each state’s governor. HFAs administer a wide range of affordable housing and community development programs. At the center of HFA activity is typically a combination of the administration of federally authorized programs that include housing bonds, the federal Low-Income Housing Tax Credit, and the HOME Investment Partnership (HOME) Program. The National Council of State Housing Finance Agencies (NCSHA) is the membership and resource organization for all HFAs.

In Missouri, MHDC is a quasi-governmental state agency operating under the umbrella of the Department of Economic Development (DED) and administers all federal programs listed above in addition to other housing-related programs and initiatives, including the state Low-Income Housing Tax Credit. MHDC regularly engages in strategic planning and housing studies to inform its work.

The purpose of this Request for Proposal “RFP” is to obtain Proposals from qualified individuals/entities (“Respondent(s)”) to assess the social and economic benefits of the state’s Low-Income Housing Tax Credit (LIHTC) program.
